Subject: Technical Inspection & Condition Assessment of HVAC Equipment

Dear Sir,

We are pleased to submit our proposal for the **Technical Inspection and Condition Assessment** of your HVAC systems. Following the inspection, we shall provide a comprehensive technical report along with quotations for any required rectifications, repairs, or replacements.

1. SCOPE OF WORK

Our technical inspection services shall include the following equipment:

S.No	Equipment Description	Quantity
1	Chillers (10 to 20 Tons Capacity)	2 Nos.
2	Pumps	3 Nos.
3	Package Units (10 to 15 Tons Capacity)	40 to 50 Nos.
4	Package Units (30 to 35 Tons Capacity)	2 Nos.
5	Air Handling Units - AHU (15 to 20 Tons Capacity)	40 to 50 Nos.
6	Fan Coil Units - FCU (3 to 4 Tons Capacity)	40 to 50 Nos.

2. INSPECTION ACTIVITIES

- Conduct a full technical inspection for above units.
- Issue an inspection report with per-unit findings, photos (where applicable), and recommendations.
- Provide quotation for the required repair works, materials, and consumables.

3. DELIVERABLES

Upon completion of the inspection, we shall provide:

- Detailed Technical Inspection Report with findings for each equipment

- Condition assessment and remaining useful life estimation
- Photographic documentation of equipment condition
- Recommendations for repairs, rectifications, or replacements
- **Itemized Quotation for all recommended works**

4. COMMERCIAL TERMS

Description	Amount (QAR)
Technical Inspection & Condition Assessment Report with Quotation for Rectifications/Repairs/Replacements	15,000.00
TOTAL PRICE	**QAR 15,000.00**

Amount in Words: *Qatari Riyals Fifteen Thousand Only*

5. PAYMENT TERMS

- **50% Advance** upon acceptance of this proposal (QAR 7,500.00)
- **50% Balance** upon completion and submission of inspection report (QAR 7,500.00)

6. TERMS & CONDITIONS

- Quotation validity: 30 days from the date of this proposal
- Work shall commence within 7 working days upon receipt of advance payment and site access confirmation
- Client to provide site access and necessary coordination during inspection
- Inspection report shall be submitted within 14 working days from completion of site inspection
- This quotation covers inspection and reporting only; any repairs/replacements will be quoted separately

We trust our proposal meets your requirements and look forward to your favorable response. Should you require any clarifications, please do not hesitate to contact us.

Thanking you and assuring you of our best services at all times.

Yours faithfully,

For METRI ENGINEERING SERVICES W.L.L.
