Mobile: +97455556697	Location: Mr. Ahmed - Private Villa
DATE : 08-02-2025	Email: mes@mes.qa

Dear Mr. Ahmed Al Mulla,

We are pleased to submit our quotation for the shifting and re-installation of AC units as per your requirement. The scope of work and exclusions are detailed below:

Scope of Work (SOW):

1. Shifting of Rooftop Package AC Units (2 Nos.) using a crane to the new location.
2. Fabrication and Installation of New GI Ducting as per the new location, including Duct insulation, glass cloth, and vapor barrier.
3. Electrical Termination of cable from the isolator (Isolator shifting to be done by the electrical contractor).
4. Control Cabling as required for the system.
5. Shifting of Split Units (Outdoor Units Only - 7 Nos.) to the new location.
6. Electrical Termination of cable from isolator to unit (New isolator to be provided by the electrical contractor).
7. Refrigerant Piping Modification & Extension as required.
8. Testing and Commissioning of all the above works to ensure proper functionality.

Exclusions:

- Main electrical work for feeding power to the isolator.
- Any civil works, including concrete plinths for Package ACs and Split ACs, as well as waterproofing works.
- Any other items not explicitly mentioned in the scope above.

Total Price for the Above Works:

QAR 27,000 (Twenty Seven Thousand Qatari Riyals)

Payment Terms:

50% advance and 50% upon completion

Delivery Time:

10 days

Validity of Quotation:

30 days from the date of this quotation

Should you require any clarifications or modifications to the scope, please feel free to contact us. We look forward to your confirmation and the opportunity to serve you.

Best Regards,
