Subject: Supply & Installation of Condenser Discharge Air Ducts for Portable Air Conditioning Units

Dear Ms. Tatiana,

Thank you for your enquiry and for the opportunity to be of service to Hotel Andaz Doha. Further to our site visit and review of the existing portable air conditioning units, we are pleased to submit our quotation for the supply and installation of the condenser discharge air ducts as detailed below.

1. Scope of Works & Price

Item	Description of Works	Unit	Qty	Amount (QAR)
1.0	Supply and installation of condenser discharge air duct for portable air conditioning units, comprising: - Flexible insulated aluminium duct, circular type, 10" (250 mm) diameter, cut to required length and routed from the portable AC unit condenser discharge outlet to the external discharge point. - Forming of the roof opening required to allow the duct to pass through to outside, including making good and appropriate sealing of the penetration. - Supply and fixing of duct supports, clamps, collar and terminal fitting at the roof penetration. - Connection and airtight sealing of the duct to the portable AC unit condenser discharge spigot.	No.	2	2,500.00
	TOTAL LUMP SUM PRICE (Two nos. complete)			2,500.00

Amount in words: Qatari Riyals Two Thousand Five Hundred Only (QAR 2,500.00).

2. Commercial Terms & Conditions

- Prices are quoted in Qatari Riyals (QAR) and are firm for the validity period stated above.
- Payment terms: 100% upon completion of works, against submission of invoice.
- Execution period: within 1 working days from receipt of your confirmed Purchase Order, subject to clear site access.
- Works to be carried out during normal working hours. Any restriction to night shift or weekend working may attract additional cost.
- Site access, permits to work, safe access arrangements and any required hotel approvals to be arranged by the client free of charge.
- Validity of this offer: thirty (30) days from the date of this quotation.

3. Exclusions

- Supply of the portable air conditioning units and any repair, servicing or gas charging of the same.
- Any electrical works, power supply, isolators or control wiring.
- Structural steel modification, false ceiling works, or any civil, finishing or decoration works other than the sealing of the duct penetration as described.

- Provision of scaffolding, man-lift or specialised access equipment beyond standard ladders / mobile platform.
- Condensate drainage piping and its disposal, unless separately agreed.
- Any statutory approvals, authority fees or third-party permits.

We trust the above meets your requirements and we look forward to receiving your valued order. Should you require any clarification or amendment to the scope, please do not hesitate to contact us.

Yours faithfully,

Metri Engineering Services W.L.L.
