Dear Mr. Samee,

Thank you for your enquiry. We are pleased to submit our offer for the Supply & Installation of GREE brand Free Standing air conditioning units for your inflatable tents application, as detailed below. Our scope, equipment schedule, commercial terms and conditions are presented in the following pages for your kind review and approval.

SCOPE OF WORK

- Supply & Installation of GREE brand Free Standing air conditioning units as per the equipment schedule below.
- Supply & installation of fabricated steel stands for the indoor and outdoor units.
- Supply & installation of refrigerant piping (interconnecting indoor and outdoor units), complete with insulation.
- Supply & installation of drain piping in the vicinity of each AC unit. The drain point at site shall be arranged by the Client.
- Testing, commissioning and handover of the installed units in full operating condition.
